Life is a Gift

- Life is neither an accident nor a coincidence
- Life is a gift from God.
- God is the Author and Source of life.
- A book is a proof of an Author, Creature is a proof of a Creator and life is a proof that there is God.
- *"God gives us this good life"* (1)
- God gave you life because He loves you and you are important to Him.
- *"God decided to give us life"* (2)

Life is a Gift

- Some children are not planned for by their parents but not unplanned by God.

Life is Good

- God Who is the Maker of life only makes good things; so we can boldly say that life is good.
- *“Whatever is good and perfect comes down to us from God...”* (3)
- Your experiences in life might have been very terrible but life in itself is good.
- When a child is born, there is great celebration but when one dies, there is great sorrow and mourning because life is good.

Life Can Become Better

- Your life can become better.
- The best about your life is yet to come.
- God has a better tomorrow for your life.
- God said this about you:
- *“Even though you are not much right now, you will end up better than ever”* (4)
- *“Your future will be brighter by far than your past”* (5)
- God gave you today because yesterday was not good enough.

Life Can Become Better

- Your being alive today is a proof that God wants to make your life better.
- Your life will move from glory to glory.
- You may be in prison today and be the president of your country tomorrow.

Joseph moved from prison to Prime Minister;

Former President Obasanjo of Nigeria, moved from prison to become president;

Nelson Mandela of South Africa also moved from the prison of his country to becoming the president of the same country;

David moved from the wilderness to the palace in Israel.

Life Can Become Better

- No matter where you are now, there is hope for you; your life can become better.
- *“The end of a thing is better than it's beginning” (6)*
- Your life will become better

Life on Earth is very Brief

- Life on earth is not a permanent residence, it's a temporal assignment.
- As compared to eternity, your time on earth is very short even if you live to be 200years.
- Eternity is not one thousand years, not one million years it is forever.
- None of us will live on earth forever.
- Your time on earth is but a punctuation mark in eternity.

Life on Earth is very Brief

- *“Your life (on earth) is like morning fog, here a little while and then it's gone” (7)*
- *“Teach us how short life is” (8)*
- *“Lord remind me how brief my time on earth will be” (9)*
- Life on earth is like leaving your home to go for shopping in the market, you will certainly return home very soon.

Life Does Not End When You Die

- Man is an eternal being created to live forever.
- You do not stop to exist when you die, you only change address from earth to eternity.
- Death is a transition not the end of your life.
- The day you die is your first day in eternity.
- Life on earth is an opportunity to prepare for eternity.

Your Life Is Not Defined By What You Have

- *“Life is not defined by what you have” (10)*
- *“Life is not measured by how much you own” (10)*
- Possessions only provide temporary happiness
- You can have many possessions and still lose your life.
- Things do not give value to life, it is life that gives value to things.
- Your value in life is not determined by your valuables.

Your Life Is Not Defined By What You Have

- Getting more money will not make you happier.
- Getting more things will not make you more important.
- Never think of taking your life because of things. Having life is by far better than having things.

God Wants You To Enjoy Life

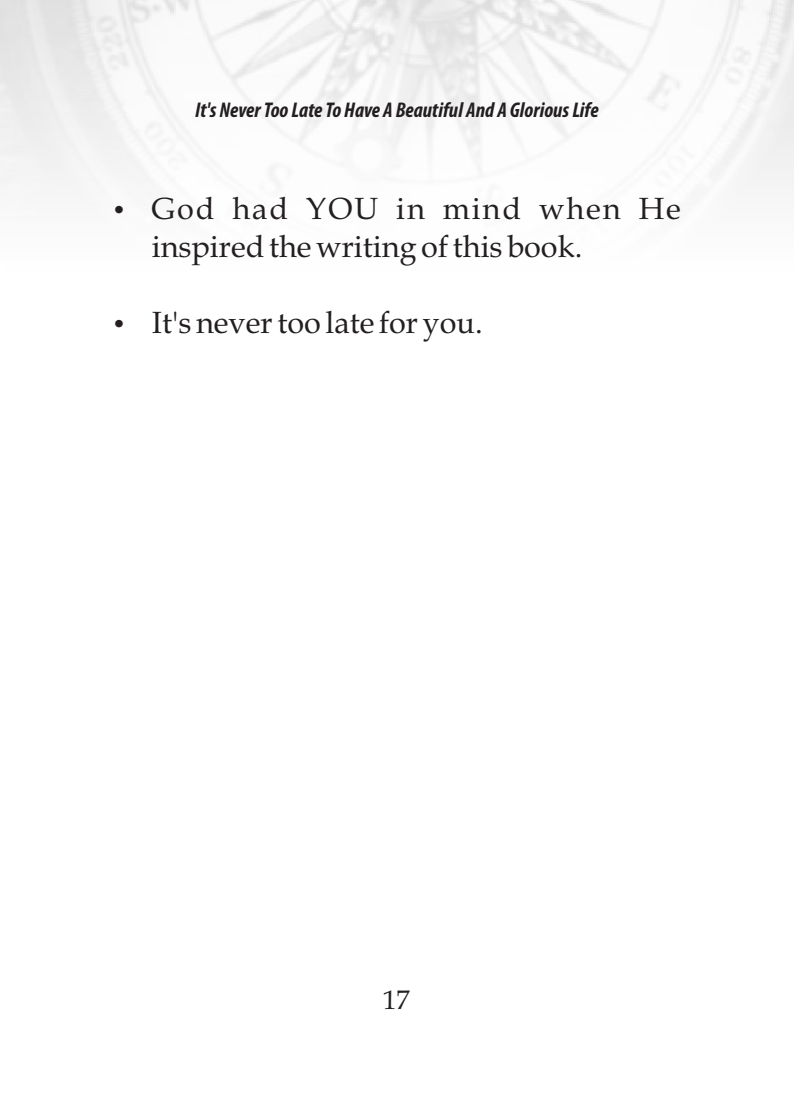

- God loves you so much and He has your best interest at heart
-
- God created you to love you.
- He said, *"I created you and I will take care of you"*. (11)
- *"God gives us all things to enjoy including life."* (12)
- Suffering in life is not God's plan for your life.
- God does not only want you to enjoy life, He has made provision on how you can enjoy life.

God Wants You To Enjoy Life

- *“Jesus came to this earth so we can enjoy life.”* (13)
- If you follow God's instructions, you will certainly enjoy life.

It's Never Too Late To Have A Beautiful And A Glorious Life

- No matter how old you are, you can still have a beautiful life.
- No matter what your experiences in life are, your life can still become beautiful.
- God will fix your life to shape, if only you can give Him the permission to do so.
- Don't give up; your life can become glorious.
- That you are reading this book now is evident that your life can become better and beautiful.

It's Never Too Late To Have A Beautiful And A Glorious Life

- God had YOU in mind when He inspired the writing of this book.
- It's never too late for you.

Your Life Depends On Your Choices

- The greatest power that God gave to man is the ability to make choices.
- You are a product of your choices.
- Your life is a sum of all the choices that you have ever made.
- Your choices either make you or mar you.
- The quality of your life depends on the choices that you make.
- The beauty of your life is at the mercy of your choices.

Your Life Depends On Your Choices

- Your future is at the mercy of your choices.
- You can begin to make good choices now.

The Most Important Question Of Your Life Is:

- *“Where will I spend eternity?”* In heaven or in hell?
- Life on earth offers many options, but life in eternity offers only two (2) options: HEAVEN OR HELL?
- Ask yourself this simple question: “If I die today, where will I spend eternity? In heaven or in hell? (Be very sincere with yourself)
- You will never know true happiness, joy, peace and fulfilment until you are able to answer this question successfully.

The Most Important Question Of Your Life Is:

- To go through life without preparing for eternity is the most stupid thing to do.
- *“What could you ever trade your life for?”*
(14)
- How will it profit you to get all the good things of this life at the expense of the real you? (Only to spend eternity in hell fire).
- You can be very sure of spending eternity in heaven and I will show you how as you keep reading.

Your Greatest Success In Life

- Your greatest success in life is the easiest success you can ever have.
- It comes by making the greatest decision of life: which is choosing to spend eternity with God in heaven.
- This success is impossible by your efforts (can never come by your good works).
- It's very easy because *"God has cancelled your ticket to hell. Hell is no more your destination"*. (15)
- Simply believe in your heart that God raised Jesus from the dead and say with

Your Greatest Success In Life

your mouth that Jesus is my Lord and you will have the greatest success ever (assurance of spending eternity with God).

- Life outside Christ is full of crisis.

Welcome To The Best Life

You Can Give Your Life A Meaning

- Life only finds a meaning when you are following God's plan and purpose for your life.
- Life is an opportunity to invest in eternity.
- What you do with your life is your gift to God.
- What we sow in this life, we reap in this life and in eternity.
- You can keep enjoying the best life by the help of the Holy Spirit now by saying this prayer below:

You Can Give Your Life A Meaning

Heavenly Father, I thank you for making me your child, thank you because I am born again, I am a believer in Jesus Christ. You promised in your Word that these signs will follow those that believe; In your Name they shall speak in tongues. I believe in Jesus and I expect the signs to follow me now. You promised that those who believe would receive the Holy Spirit. I believe, and I receive the Holy Spirit now in the Name of Jesus.

Holy Spirit, help me and give me utterance to speak in tongues in Jesus Name as I begin by faith. Thank you for filling me with the Holy Spirit, in Jesus Name. Amen. (Now open your mouth and begin to speak in tongues)
